

HOTEL Bellevue

The Bellevue Hotel, a newly renovated 3 star hotel, is in a great location at the foot of the Sacré Coeur Basilica in the Montmartre area, renowned for its little cafés and restaurants full of life and atmosphere. All of the local attractions are easily reached by local transport at Metro Anvers, which is a few stops away from the Gare du Nord station, and there are metro stops such as Etoile (the Champs Elysees) and Opera is only 15 minutes away from the hotel. The hotel offers good accommodation in a typical Parisian fashion. All 36 charming and comfortable rooms are pleasantly decorated in burgundy or blue tones, all of which are equipped with brand new white bathrooms including WC, Shower/bath, television, telephone and internet access (ask your local provider for their local access number) to guarantee all visitors a pleasant stay. There is a breakfast room located in the main lobby next to the reception area, as well as an elevator for your convenience. A few finishing touches are missing (paintings and new furniture in the breakfast room are expected very soon) in the lobby area. The street neighbourhood is very quiet at night. Very good value for money!
