

Relais Saint Preuil

You will be greeted by the owner of this former 17th-century hamlet, now a beautiful guesthouse, nestled near the woods on the slopes of Grande Champagne, 1er-cru vineyards of cognac.

The rooms, suites and apartments are very quiet and comfortable. The elegant decoration highlights the successful merger of Asian decor and the materials of Charente. All rooms are equipped with modern en suite facilities and free Wi-Fi internet access.

Le Relais is the ideal place to go and meet the winemakers who produce for generations the great cognacs and Pineaux tradition and is very well situated for visiting La Rochelle, Cognac, Angouleme, and St. Emilion
