

## HOTEL Beaumarchais

The Hotel Beaumarchais is ideally situated in the heart of Paris. It lies between the historic neighborhood of the Marais with its museums, and the typically Parisian atmosphere of bars and restaurants of Rue Oberkampf. You will be welcomed by a warm atmosphere where the contemporary setting harkens of a distinctly southern style. A flowery patio welcomes you for breakfast. The rooms feel fresh and gay. Bright and simple, they offer all amenities (air-conditioning, safe, hair-dryer, cable tv-canal +, wifi, etc). The bathrooms are in that same spirit of originality and good taste. A ceramic decor evokes a patchwork of broken panes around the sink and bathtub. A veritable ode to the sun and holidays to put you in a good mood in the morning and a charming welcome to warm your heart in the evening.
