

HOTEL **Kepler**

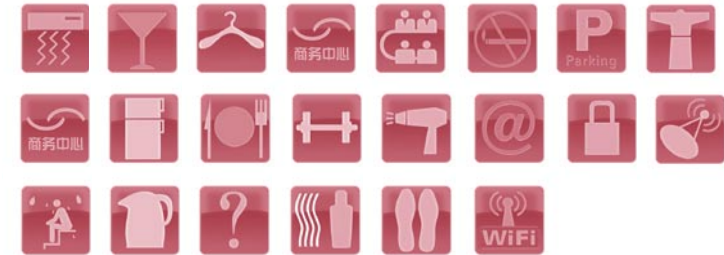

This gorgeous hotel, located in the “Golden Triangle”, with an exclusive, residential atmosphere is definitely not to be missed.

The Kepler is a haven for relaxing getaways in a perfect location : a short walk from the Champs Elysées, the Avenue Montaigne and the rue François 1er, high district of fashion, business and entertainment.

This intimate homelike oasis within a Haussmannian building from the 19th Century features 39 outstanding guestrooms including 5 suites, some of them with a terrace offering exquisite views of Paris and the Eiffel Tower.

The hotel Kepler is a showcase for a mixture of quintessential style, modernity and classicism.
